GERSHON WACHTEL

Gershon Wachtel is a Toronto-based virtuoso pianist, whose repertoire includes a broad range of Classical, Jewish, and Broadway music. He was chosen to accompany the US Women's Gymnastic Team in the 1976 and 1980 Olympics. He has a degree in music from Fredonia State University and has toured the US and Europe, performing concerts in most large cities over the past 30 years. He has appeared on CBC Radio, NBC TV and CBS Radio. He recently performed the Canadian National Anthem at Parliament in Ottawa, Canada to a full house.

Gershon is an accomplished motivational speaker, in demand from coast to coast. His program, "Overcoming Life's Difficulties with Faith and a Sense of Humour" is a unique combination of motivational speaking and performing his amazing performances on the piano.

People are awed by the emotion he is able to express in putting together his unique talents that have been developed over a lifetime.
